

Dear Researcher,

Have you already read our new 2008 journal [Child Indicators Research](#)? It provides a unique and applied perspective on how child indicators can be used to improve the development and well-being of children. The Journal provides a source of high quality, policy impact and rigorous scientific papers.

□ Please [click here](#) for the editorial note about the scope of the journal.

For your convenience the Editor-in-Chief has selected the following articles which are now available online for free. Read, download and save them online as if you were a subscriber. Find out how this Journal will accelerate your research and that of your colleagues.

Regards,

[Jasper de Vaal](#)
